ORDER

JOSEPH A. LANE

Clerk

D. LEE

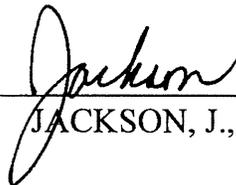

Deputy Clerk

THE COURT:

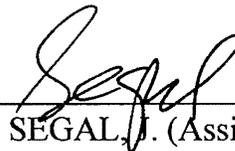

It appears from a minute order dated May 17, 2013 that the respondent superior court has vacated its order of March 7, 2013 denying petitioner's request for a waiver of court fees and costs, and has issued a new order granting the request. The captioned petition is therefore moot. The alternative writ issued on May 16, 2013 is discharged and the petition is dismissed.
